

WE will thank our readers for all local occurrences in their immediate localities. If they do not desire to write a communication for the public eye, they may send us a brief statement of everything of interest in their respective communities. A list of marriages, deaths, accidents, fires, removals, business changes, etc., will be put in form. The more facts of this kind we can get the better it will suit us and our readers. Who will do it?

TO ADVERTISERS.—Persons wishing advertisements inserted, must hand them in early on Tuesday morning to insure their insertion for that week.

THE accounts of the firm of JACOB & SHUMAN as far as sent out for collection are in the hands of the following persons:

MILFORD TOWNSHIP.—JOHN H. HETTLER; **SAMUEL CRANE.**
ALBANY.—BENJ. ZIMMERMAN, P. M.
ALBANY.—J. J. C. WHEELER, P. M.
CATAUGUS.—STEPHEN L. HARRIS.
ROSELAND.—Central, and Ashland.
JOHN HARRIS.

In Sugarloaf Township, bills for collection have been placed in the hands of MONTGOMERY COLE, to whom payment is requested to be made at the earliest convenience.

In Scott Township, all persons knowing themselves in arrears for subscription, and advertising to the DEMOCRAT, will please make payment to JOSEPH LILLEY.

Benton.—DANIEL HARMAN.
Orange.—MICHAEL KELLER.
Madison.—WILLIAM MCNICOL.
Hendrick.—DANIEL NEVART.
Roskrow.—MATHIAS M. APPELMAN.

Very interesting matter on the first page of the DEMOCRAT.

Prof. CARVER'S School is in full blast in the new building, with upwards of three hundred scholars.

Mr. Lloyd Paxton, of the firm of Paxton & Harman, doing business at Rupert, has been dangerously ill for the past week. When last heard from he was convalescing.

Special attention is called to the advertisement of Dr. H. C. Hoyer's Boot, Shoe, Hat and Cap Store, in to-day's DEMOCRAT. He always has on hand a large and well-selected stock.

The receipts to the DEMOCRAT for the month of August will appear in our next paper, on account of our not having the time to make them up for the present issue.

J. N. OVERENDER is turning out splendid suits of clothing, made up by himself, with the assistance of his skillful employees. His work will pass muster anywhere, and I want to never rip. Give him a trial.

A moderate rain set in on Monday night last, and continued till 8 o'clock on Tuesday morning, making the roads wet and muddy. The attendance at Court was very slim on Tuesday, partly in consequence of the bad weather.

New Goods.—C. C. May's Store, Calicoes 10 cts. per yard; Ginghams 20 cts.; Muslins 12 cts.; Sugar 12 cts.; etc.; hoop-skirts 25 to 30 cts. apiece. Crowds go to this store to trade. They do well and go home rejoicing over their good bargains.

ARRESTED.—The supposed murderer of Dr. Durkin, of Seneca, has been arrested, and is now confined in the Wilkes-Barre jail. The prisoner's name is unknown to the press. He was arrested at White Hall, New York. The prisoner is confident he can establish his innocence.

New Goods.—J. J. Broxer, having just returned from the eastern cities with a large and well-selected stock of dry goods and groceries, offers great inducements to buyers by selling from 5 to 20 per cent. cheaper than at any other establishment in town. Give him a call, all ye who desire to save money.

GIVE HIM A CALL.—If there are any persons in this vicinity who are not already aware of the fact, we will say for their benefit that D. A. Beckley, on the South West corner of Market and Main streets, in this place, has a splendid assortment of boots, shoes, trunks, etc., which he is selling at remarkably low prices.

COURT.—As we go to press Court is still in session. The attendance is not large. Owing to the bad health of Judge J. W. L. no civil causes will be tried at this term. The Com. causes will be disposed of. In our next paper will be found a synopsis of the proceedings. Court is expected to adjourn on Thursday.

ADOLPHUS GROSS, the Great Herb and Root Doctor, will visit this place, on the 17th and 18th inst. He can be consulted, in his rooms, at the Forks Hotel, in relation to Rheumatism, Piles, Cancer, Fits, Sore Eyes, White Swelling, Salt Rheum, and especially all diseases to which females are subject.

JOHN MORAN, of Central Borough, Columbia County, is carrying on the boot and shoe business in all its branches. He is a capital workman, no letter of his country, and enjoys the confidence of his entire community. All who desire a tip-top pair of boots or shoes made, with despatch and cheap for cash, call at the establishment of Mr. MORAN.

ACCIDENT.—On Tuesday last, Richard Birch of this town, met with a serious accident by the premature discharge of powder, while he was preparing to blast rock over one of the mines near this place, which cost him his eyes and terribly mangled his face. He is not expected to survive.

For the information of our friends, and especially those parties who have been earnestly and laboriously engaged in trying to destroy our business, we would state that the circulation of the DEMOCRAT is to-day as large as it was last year, or before the 1st of September. It is true, we printed our list at the commencement of the new volume (as every editor does), besides the Democratic Columbiaites succeeded in having a few subscriptions stopped, but that reduction has long since been made up. Thanks to our friends. Three cheers for the DEMOCRAT and as many Tiggers as you please to throw in.

Our thanks are due those of our who called in our office the forepart of last week and paid their subscriptions to the DEMOCRAT. We received nothing like that which would have been paid in, if it had been the attendance at Court, and the money for newspapers.

Somebody can find plenty of other and necessary purposes, doing nothing but what would seem almost for them to do a dollar.

At Buffalo, on Wednesday, the fast trotter Dexter made his mile in 2:16 1/2, which is the best time ever trotted in harness by 11 seconds. After the trot Dexter was sold to Robert Bonner, of New York, for over \$50,000.

The Chairman of the Democratic Standing Committee of Columbia County, Col. John G. Freeze, has issued a call for a meeting of said Committee at the Register's office, in Bloomington, on Monday, the 9th inst. A full attendance is requested.

On Sunday a week the body of an unknown man was found drowned in the Delaware river near the Lazaretto. On his arm a rose and the word "Philadelphia," were picked with India ink, marks insufficient to identify him. He had been in the water a long time before discovery, and was very much decayed and swollen.

The recent changeable weather has produced a great deal of sickness throughout the country, especially among children, and in many cases the diseases have terminated fatally. No doubt much of the general ill health is caused by over-indulgence in unripe fruits and vegetables. They should be carefully avoided. Ripe fruits, on the contrary, should be extensively used. They are a much more healthy article of diet than meat, especially in warm weather, and the same may be said of all ripe vegetables.

ACCIDENTALLY SHOT.—On Sunday last, Mr. Henry Shraub, of Pinegrove township, was accidentally killed by the discharge of his gun. He was out hunting, with others, near Trenton, when the dogs chased a groundhog into his hole, and the man tried to dig him out, when Mr. Shraub reached for his gun, which was lying on the ground.

He incautiously pulled it towards him by the muzzle, when the hammer caught in the underbrush and the gun was discharged, the lead passing through his head, killing him instantly. He leaves a wife and two or three children. —*Pottsville Standard.*

COWARDLY.—The *Republican* of this place refuses to publish the Starwood opinion after being called upon by us in the most urgent language to do so. This furnishes a fair sample of the manner in which the negro-loving organs of the State are conducting the campaign. They abuse the Starwood opinion, but are afraid to give it to their readers. This cowardice will be noticed, and the cause thereof ascertained, by many voters between the present time and the second Tuesday of October next.

The Radicals are again in trouble about General Grant. He has issued the orders suspending Sheridan and Sickles, and all day yesterday the two great chiefs, Johnson and Grant, were quietly smoking the pipe of peace. It is said that the General lighted his pipe with the significant letter of "The Great Commoner" to one of his constituents, in which Thaddeus said that the district commanders could be removed without the consent of the Senate.

The lack of historical knowledge on the part of the *Republican* must be a little distressing to its readers. The editor of the DEMOCRAT is not a Doctor, nor has he ever made any pretensions to extraordinary learning; but he knows that the *Republican* has asserted what it could not prove, when it said that negroes "fought shoulder to shoulder with white men under Jackson." We demanded the evidence and it was not forthcoming. The editor of the *Republican* talks of the "ignorance" of his contemporaries. Why does he thus provoke criticism?

Blessed be the man who first invented this "quack" Seneca Panacea. Sleep has often been "murdered," not in Macbeth's case only, but in many modern instances, by Indigestion, Nervous Disorders, Headache and a host of other complaints. For all such there is a remedy, and sufferers may now exclaim, "Blessed be the man who invented the Panacea Bitters!" This delicious Cordial and Tonic is now hailed by millions as the great Health-Giver and Restorer. Resolve to buy a bottle and don't "sleep on it." "Be wise in time."

MAGNOLIA WATER.—A delightful toilet article—superior to Cologne and at half the price.

SCHUYLKILL COUNTY NOMINATIONS.—The Democrats of Schuylkill County held their nominating Convention on the 19th ult., and took up the following ticket:

Associate Judge.—Jacob Kline, Pottsville.
Senator.—Wm. M. Randall, North Manheim.
Assembly.—P. E. Nies, Pottsville.

Michael Beard, Tammany.
Edward Kerns, Orangeburg.
Sheriff.—Conrad Greiner, Tuscarora.
Treasurer.—Edward Bradley, Minersville.
Commissioner.—Patrick Dorman, St. Clair.
Dir. of Poor.—Richard Molahan, Middleport.

Auditor.—Solomon L. Kirk, Tremont.
Jury Commissioner.—Wm. Hower, Girdersville.

There is nothing very interesting in the papers from Washington, as we go to press. The President has at last "put his foot down," and it has had the good effect to quiet the enemies of the country—the Radicals, Sheridan and Sickles, two military chiefs in the interest of the Radical party, have been ordered to take up their beds and walk, from the Department they are now commanding. The Radicals have abandoned over the matter, for fear Johnson would arrest some of them and put them in Fort Lincoln or some other de-tested bastille. Be a little cautious gentlemen, Andrew J. has his eye on you!
